## REQUIRED POSTERS AND NOTICES

### **“Notice to Employees about Applying for Wisconsin Unemployment Benefits” – Form UCB-7-P**

This poster is provided to all employers covered by Wisconsin's Unemployment Insurance Law. Employers are required to prominently display a poster in each work place. To meet this requirement, posters should be permanently posted in a sufficient number of locations at each work site, such as on bulletin boards or near time clocks, so that all employees will have the opportunity to read them. The posters should always be clearly visible, not covered up by other items. One central location will not usually satisfy this requirement unless it is a location which all employees normally use to reach their work stations, to obtain their pay or to eat. If only one location is chosen when several are available, you must notify your workers that the chosen location will be the posting place for all official notices.

The poster includes an English, Spanish, and Hmong version, printed side-by-side. Call (608) 267-8997 if you need the poster translated into any other language or to request additional or replacement posters.

If you do not have a permanent work site regularly accessed by your employees, the Department can also provide you with individual notices (Form UCB-7D-P) to be given to each of your employees.

A copy of the English side of the “Notice to Employees about Applying for Wisconsin Unemployment Benefits” poster is printed on the next page.

### **Other Special Notices**

Chapter DWD 120 also requires that the following special notices be given to certain employees.

- Employers engaged in the processing of fresh perishable fruits or vegetables must notify employees who only work for the employer during the “active processing season” that wages earned in processing employment may be excluded when determining his or her eligibility for UI benefits. This notice must be provided or posted when the employee starts working.
- Employers who have been designated by the Department as seasonal employers must notify employees that wages earned in seasonal employment may be excluded when determining his or her eligibility for UI benefits. For this exclusion to apply, the notice must be provided on Form UCB-9381-P or an equivalent **before** the employee starts working.
